Important Notice

- The Department of Agriculture requests that all pedigree certificates show the current owners details
- Change of ownership is the responsibility of the seller. The original certificate must be returned to the office at the time of sale and the buyer needs to apply for the new certificate in their name with a fee of €20
- If a purchased animal is in a members herd it cannot be used as a Dam or Sire unless the animal has been moved in to the new owners herd and a certificate issued in his/her name.
- If the new owners details are not shown on the certificate animals will not be covered in the event of a disease breakout. The herdowner will receive no compensation if the certificate is not in the current herd owners name.
- Please use full tag number or correct AI code to avoid correction in ICBF
